

Bar Bar Black Sheep

Bar Bar Black Sheep - casino room for you

Yes sir, yes sir, five reels full! Bar Bar Black Sheep adds a new twist to the popular farmyard gaming genre. Cartoonish graphics, blue-sky backdrops and a country ensemble featuring guitars, banjos, harmonicas and fiddles give this 5 x 3 reel, 15 line adaptation of a three-reel classic a warm, inviting feel. But don't be fooled by the nursery rhyme theme: Bar Bar means business.

You can win up to 999x their line bet in the Bar Bar Black Sheep Bonus, awarded in the base game casino room and during free spins. 10, 15 or 20 retriggerable free spins with a 3x multiplier are also up for grabs, and both new and experienced players will love the 0.15 starting bet and 95,000.00 jackpot win.
