

Reel Spinner

Reel spinner - iphone casino game - Game Rules

- In this game all 15 paylines are permanently enabled.
- You can bet up to 15 coins per payline.

- Your total bet amount is the number of coins you bet per payline, multiplied by the number of paylines.
- To convert your win amount in coins to credits, multiply the number of coins won by the coin size you bet.

Regular symbols

- Regular wins are created when the same symbols appear next to each other, with one of the symbols displayed on the first slot reel.
- One regular win is paid per payline. If you have more than one combination, you are paid the win that has the highest value.
- Regular wins are displayed in coins on the pay table.
- Regular wins depend on your bet per payline.
- Scatter and bonus wins are added to regular wins.

Wild symbol

- Substitutes for other symbols to complete wins.
- Does not substitute for the scatter symbol.
- Creates its own win when multiple wild symbols appear next to each other, with one of the symbols displayed on the first slot reel.
- Regular win rules apply.

Scatter symbol

- Does not need to appear next to each other on a payline to win.
- Creates a scatter win when two or more appear anywhere on the reels.
- Is not substituted by the wild symbol.
- Does not appear during the free spins.
- Scatter wins are displayed as a multiplier value on the pay table.
- Scatter payouts depend on your total bet.
- Scatter and bonus wins are added to regular wins.
- Activates free spins when three or more appear on the reels.

Free spins

- Activates when three or more scatter symbols appear on the reels.
- You choose an object to reveal a random number of free spins.
- You spin a reel to reveal a random multiplier value.
- The wild symbol creates a wild symbol stack during the free spins.
- The last bet you placed in the game is used as the free spins bet amount.
- Free spins cannot be re-activated.
- Winnings are automatically collected during the bonus game.

Paytable Achievements

- Tracks your win status by highlighting symbol combinations you have won.
- When you win all combinations for the same symbol it is highlighted.
- Achievements are permanently highlighted on the pay table, even if you exit the iPhone casino game.
- Regular game wins are logged as achievements.
- Wild symbol substitute wins are not logged as achievements.
- Free spins wins are not logged as achievements.

Quick spin

- Quick spin increases the reel spin speed to display your results quicker. This does not influence the results of the spin.
 - Tap Menu.
 - Tap Settings.
 - Tap quick spin Off.
 - To disable quick spin, tap quick spin On.
 - This feature may not be available in the iphone casino game you are playing.

Configure my total bet

- Your total bet amount is the number of coins you bet per payline, multiplied by the number of paylines.
 - Tap Menu.
 - Tap Settings.
 - Tap Coin Size and select a coin size.
 - Tap Coins Per Line and select the number of coins.
 - Change my bet amount
- Your total bet amount is the number of coins you bet per payline, multiplied by the number of paylines.
- Tap Bet and select the total number of coins or credits you want to bet per spin.
- The game you are playing may not have the option to bet in credits.
